

Hi,

How are you? I hope tum ache hoge.

Aapko pta hai jab aap Baby bag lekar aate the tab se aap ko janta hu, aur tab se tum mujhe bahut pasand ane lage ho. Me tumhe pichhle 1 saal se yeh sab batana chahta tha, lekin samne se bolne ki himmat kabhi nahi hui. Mujhe hamesha dar lagta tha ki kahi tumhe bura na lage ya tum uncomfortable feel na karne lago. Aur me tumhe khona nahi chahta — isliye me kabhi khul ke nahi bol paya.

Aisa nahi tha ki pehli baar dekhte hi mujhse pyaar ho gaya. Lekin tumhara sincere nature, woh simple dressing, na koi attitude, aur na kisi se bolna — yeh sab mujhe dheere-dheere khinchne lage. Tumhara simple nature bilkul mera jaisa lagta hai, aur tumhe dekhkar hamesa ek positive vibe mehsoos hoti hai.

Mujhe tumhare alava aaj tak koi ladki pasand hi nahi aayi...

Sach kahu to mujhe hamesha se ek mature, sincere, simple aur intelligent ladki hi chahiye thi. Lekin zindagi me kabhi koi aisi mili hi nahi.

Main kabhi kisi ke saath dhoka dekar unka time ya life barbaad nahi kar sakta ye mere principles me nhi hai.

Par tum tum bilkul alag ho.

Tumhare andar woh saari qualities hain jo main chah kar bhi kabhi kisi me nahi dekh paya.

Aur sirf ye hi nahi, tum usse bhi kahin zyada ho

Tumhari simplicity, tumhara calm nature, tumhari seriousness, ye sab dheere-dheere mujhe tumhari taraf kheechte chalte gaye Aur mujhe khud bhi kab pata chala tum mere liye kitni special ban chuki ho, ye mujhe tab samajh aaya jab main tumhe apni zindagi ka hissa man baitha.

Tumhe pa kar hi mujhe realize hua, ki main jis tarah ki ladki chahta tha, wo tum ho sirf tum.

Jab se tum meri life me aayi ho, ek alag hi positivity aa gayi hai. Me apne aap se mil paya hu. Jo cheezen me pichle 5–6 saal se karne ki koshish kar raha tha, woh achanak last 2 mahine se mere saath automatically hone lagi. Me abhi shayad sab kuch bata nahi sakta, lekin itna zarur keh sakta hu — tumhare aane se meri life completely badal gayi hai.

Sach kahun to me tumhara face tak aaj tak nahi dekha, aur naam bhi nahi jaanta. Log kehte hain ki log hamesha pehle dekhe pe pyaar karte hain, lekin me to sirf tumhari aankhon se tumhe mehsoos kiya hai. Tumhari aankhen bahut kuch keh deti hain — mujhe pata hai tum in cheezon se dur rehna pasand karti ho. Phir bhi me itna yaqeen dilana chahta hu ki agar hum connect hue to tumhe kabhi mujhse regret nahi hoga. Me tumhe kabhi dhokha nahi dunga. Ye koi ahankar nahi, bas self-confidence hai. Halaki me ye bolna to nhi chata but aapko trust dilane le kiye bol raha hu mere sath bahut se logo ne galat kiya hai. lekin mene kabhi kisi ke sath kuch galat nahi kiya — aur na hi karunga.

Maine Instagram par ek reel dekhi, jo bilkul apne case se match hoti hai.

Do you know how much I love you?

I loved you... even before I ever met you.

I loved you... without ever touching you.

I loved you... even before I saw your smile for the first time.

I loved you... without seeing your face.

I loved you... even before I knew your name.

Mera pyaar tumse kab, kaise, aur kyu hua ye main aaj tak samajh nahi paaya, bas itna jaanta hoon ki tum meri heartbeat ban chuki ho.

Mene tumhare liye kuch banaya hai bus google pe jake just type kar dena anandsaini.site or <https://www.anandsaini.site/>

Aapko pata hai, 24 hours mere dimaag mein sirf aapke hi thoughts chalte rehte hain. Aisa koi pal nahi hota jab aap mere dimaag mein na aayi ho. Meri Saturday & Sunday office ki chutti hoti hai, lekin woh 2 din nikalna mere liye bahut mushkil ho jaata hai. Main to chahata hoon ki chutti ke din bhi jaipur aa jaun, sirf aapko dekhne ke liye... lekin kisan ka beta hoon, kheti-baadi ka kaam bhi karna hota hai. Me aapko bahut kuch kehna chata hu but me apne emotions ko words me baya nhi kar shakta. Bus please aap samaj jao.

Yrr kabhi kabhi mujhe lagta hai jai jab me tumhare aas pas hota hu tum ghabra jati ho, jabki sach batau to jab tum mere pass se cross karti hai meri heartbeet badh jati hai aur ek alag hi positivity mehsoos hoti hai. Ek baat hamesha dhyan rehna me aapki permission ke bina aapko kabhi touch bhi nhi karunga.

Yrr ek baat dil se bolu?

Main ye sab koi act karke, ya kisi ko impress karne ke liye nahi likh raha. Is letter me likhi hui agar ek line bhi galat nhi hai, me apne work (development) ki kasam kha ke khata hu. Isme kuch baten aaisi jai jo me kabhi kisi ko face pe bolna nhi chata tha. Bus tumko trust dilane ke liye bilna bolna pad raha hai.

Jo mere andar chal raha hai... bas wahi sach bata raha hoon.

Mere liye ye last try isliye hai, kyuki main tumhe disturb, pressure ya uncomfortable feel bilkul nahi karwana chahta. Lekin jitna main strong ban kar sabko normal dikhata hoon, utna hi andar se main toot raha hoon... aur ye tumse chhupa nahi sakta.

Pichhle kuch time se main emotionally itna weak ho gaya hoon ki mujhe khud samajh nahi aa raha mai kis haal me hoon. Kabhi-kabhi lagta hai shayad main depression me na chala jaun...

par phir tumhara khayal aata hai, aur lagta hai shayad sab theek ho sakta hai.

Sach me—tum mere liye ek hope ban gayi ho.

Main kisi ko blame nahi kar raha, na tumse kuch expect kar raha hoon. Bas apni feelings ko sachai se bol raha hu.

I really love you... itna ki shayad words me bhi explain nahi kar paunga.

Aur haa, mujhe nahi lagta is duniya me koi tumhe mujhse zyada pyaar kar payega...

aur na hi main kisi aur ke liye aise feel kar paunga.

Agar tumhe lagta hai me galat nahi hoon, aur agar tum thoda sa bhi interested ho, to main niche apna number de raha hoon. Bas ek chhota sa message... sirf itna hi.

Main ye nahi keh raha ki hum turant relationship me aaye. Hum friends ban kar shuru kar sakte hain... aur agar vibes aur thoughts match hue, to aage ka rasta hum dono milkar decide karenge.

Bas itna yakeen dilata hoon— agar tum ek baar mujhse connect ho gayi, to tumhe kabhi pachtava nahi hoga. Shayad ulta tum khud sochogi ki achha hua us din hum mile the...

Aur agar fir bhi tumhe lagta hai ki main galat hu, ya tum mujhse baat nahi karna chahti... to yrr, meri ek chhoti si request hai. Please mujhe ek reason *message me* bata dena. Bas ek simple sa reason taaki main us baat ko samajh kar apne aap ko mentally sambhalne ki koshish kar sakun. Kyuki abhi sach me main bohot tut chuka hoon aur kuch clear nahi ho pa raha. Aor ha aap apne number ki tension mat lena ki me aapko kabhi paresan karunga. Me aapko kabhi ek message bhi nhi karunga.

Aur agar tum mujhe dislike karti ho ya mujhse hate bhi karti ho to bhi please ek chhota sa message karke reason bata dena. Me tumhari feelings ki poori respect karunga aur kabhi tumhe disturb nahi karunga. Bas tumhara ek message mujhe khud ko samajhne me madad karega.

Thanks,

Your dear
Anand
